

# Underwater Peace

Tinsley Huo

# Topic Choice

Underwater Peace is a project that show the 3D interactive underwater scene for browser to stay away their busy life and find some peace. As the same time, remind people to protect the ocean ecosystem.

# Visual Research & Comps

PEACE  
WITHIN  
THE  
MARINE  
ECOSYSTEM

This is an interactive experience inside underwater world.  
Maybe it takes 5 minutes, Maybe forever.  
Let's feel the peace. >>>
